

Let's Build! Terminology Services

Jim Steel

Redmond, June 10 – 12 | @HL7 @FirelyTeam | #fhirdevdays | www.devdays.com/us

Exercises

- <https://www.devdays.com/us/exercises>
- Or do your own (and make Jim happy!)
- Terminology editor:
<https://ontoserver.csiro.au/snapper2>)
- Example widget for selecting a code:
<https://embed.plnkr.co/NGIWFo/>
- Other example widgets:
<https://aehrc.github.io/fhir-ts-exemplars/>

Thanks for playing!

I'm here all week and happy to answer terminology questions!
